

Work begins at Palmer Gardens

Work has begun on the first phase of development at Palmer Gardens, Trowbridge, a garden centre and café owned and managed by national employment charity Shaw Trust.

Planning permission was gained by Malcolm Scott Consultants Ltd in August 2008 on behalf of Shaw Trust for the **erection of a canopy** over the **plant sales area** and improvements to **car parking**.

In the current economic climate where many major development projects are being put on hold, more **modest proposals** such as those at Palmer Gardens are a good way to **boost business** and **ensure continuing success**.
